

Dear Business person:

I encourage you to consider a partnership with the Peninsula Women's Chorus as one of our Corporate Sponsors. Your sponsorship of this renowned Palo Alto artistic organization will show your support for the choral arts in our community to hundreds if not thousands of our longtime and loyal audience members.

The Peninsula Women's Chorus (PWC) is a Palo Alto-based, 55-voice women's choir performing high-quality classical and contemporary music in the Bay Area and many parts of the world. Since its founding in 1966, the Peninsula Women's Chorus has been committed to excellence in the performance of diverse and challenging choral literature for women's voices, and is recognized as the premier vocal ensemble for women in the San Francisco Bay Area.

The PWC has come to national and international attention through live performance and recordings and has added significantly to the choral literature by commissioning new music. The chorus inspires and enriches its audiences in the Bay Area through its concert series, its ongoing program of premiering new works, mentorships with upcoming vocal students and its numerous collaborations with other performing groups.

Having won several awards for excellence in performance and music innovation, most recently the American Prize for excellence in choral performance, PWC celebrates its 50<sup>th</sup> year of music making with a renewed dedication to its mission and values of Community, Excellence, Diversity and Leadership.

Please consider a partnership with us as we strive to make this year even more exciting and meaningful, as we celebrate our 50th anniversary.

Find out how a small investment into our organization can yield far-reaching results for your business and the community. PWC is a nonprofit corporation in accordance with the provisions of the IRS code, Section 501(c)(3).

We hope that you can join our effort and be recognized as part of our community.
